EXPERIENCE

Help Desk Software Engineering Internship

Blue Sky / Blue Bus Travel Company

 Aug 2018 – Sept 2018

 Cairo, Egypt

- Learned how Booking and Reservations systems work.
- Got my hands onto the system's back-end.
- I was able to help the company setup most of their computer systems, to make it easier for their employees to work and get their tasks done at the appropriate time.

Web Software Engineering Internship

Damco Real Estate & Trading Company

 Aug 2019 – Nov 2019

 Cairo, Egypt

- I was asked by (DAMCO) real-estate company to build them a Software Web Application.
- The Web Application manages everything that goes on with their company such as: Employees, Customers, Purchases, Tasks, Projects, Inventory, Contracts and Subscriptions.
- I was able to make it easier for the company to manage all their work, by computerizing all their paper-based documents and excel sheets.

Software Engineering Co-Assisting

Misr International University (MIU)

 Feb 2020 – Present

 Cairo, Egypt

- Assisted The Software Engineering Course Teacher Assistant.
